

The Campbell Family to Scotland

Dear Brothers and Sisters in Christ,

March - April 2021

About a month or so back we were able to move into a new meeting space for church. We had out grown our old one (which is a good problem to have), but as the church was growing the meeting room was getting more and more cramped and it was getting harder to pack everyone in. The Vogelpohls got home from the States and, praise the Lord, we managed to find a new space just across the street from where we were meeting. Like our old space, it is still only a short walk from where we street preach in downtown Glasgow. It is a real blessing from the Lord.

All four of us are pretty sick right now and we could really use some prayer. This thing has lasted for over a week and we are struggling to kick it. We would greatly appreciate your prayers.

A month or so ago, we were out street preaching and passing out tracts when Katy started witnessing to three young people. One of them was a girl named Alisha. She had taken a Bible from the free literature table and Katy started talking with her and asked if she believed in God and Jesus Christ. Alisha strongly said, "Yes!" Katy then asked her if she died tonight and stood before God, why would God let her into heaven. The girl responded that she would get into heaven because she was a good person. Katy used some wisdom and said "It makes sense that you would think that, but can I show you what the Bible says about it?" She took them through the Romans Road and showed them that it's only through faith in the Lord Jesus Christ that you can be saved. When Katy asked her if she wanted to pray, one of Alisha's friends shook his head telling her not to. Katy quickly called him out and said, "Why are you telling her not to pray?" She started back with Alisha and said, "This is about eternity and knowing you can go to Heaven and not Hell when you die. You could pray and know that you never have to worry about it again, and know that you have eternal life. So do you want to pray right now?" Alisha responded, "Yes! Let's do this!" Then Alisha bowed her head right there with her friends and accepted the Lord as her Saviour.

A few weeks back I got the chance to witness to a young man on the street named Frank. He was standing by listening for a long time while I was street preaching. When I finished up I went over and started dealing with him. He said that he believed in God and Jesus, but when I asked him about his soul and salvation, Frank started talking about how Muslims have faith and Buddhists have faith as well but that they don't need to have Jesus to be saved. And then he started quoting a Joel Osteen interview he had seen online where that wicked false prophet, Osteen, was answering the question "What if you're Jewish or Muslim and you don't accept Christ at all?" Osteen responded with "You know, I'm very careful about saying who would and wouldn't go to heaven. **I don't know...I just think that only God will judge a person's heart.**" I had heard that same interview before but this was the first time I had ever heard a lost person reference it to get out of accepting Christ as their Saviour. What a wicked subtle devil. **Proverbs 18:21 Death and life are in the power of the tongue.** I told Frank that either Joel Osteen was a liar or Jesus Christ was a liar. I quoted John 14:6 to him. **Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.** By the end he admitted that he was lost and needed to be saved but he said that he wasn't ready to pray and accept the Lord yet. Please pray that he will read the gospel tract he took and receive the Lord as his Saviour.

Katy has been having some really bad migraines again on almost a daily basis. We've taken a short trip back to the States and we have been able to get her into a new doctor and therapy for the migraines. Praise the Lord we are seeing some good results from it. We appreciate your continued prayers for Katy's health and the migraines.

Lord bless,
The Campbell Family
