getting hit with drones and missles. Now that the colder weather has come Russia is going after the power sources so that Ukrainians will be without heat from time to time and lights quite often. One of our families fled to a south-western village. They live in a two-room house with their two autistic children. The husband, Anatoly is the man that God gave us to work on the Russian translation of the KJB. We've been working together for almost thirty-five years. When I recently spoke with them, the only heat they had was from the light on the ceiling. The apostle Paul says, **“That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;”** (Col. 1:10) He was in the ‘slammer’ when he said that, bearing fruit!

The last trip we took to Ukraine we helped one of our trained men to get a work going. Boris was a former drunkard. Now he's bearing fruit for the Lord. He knows how to deal with people one-on-one well. Zhanna, a teacher, got saved. And Paul, a lawyer, is now coming to church. We are looking forward to seeing these folks some time in the future, Lord willing. **“I purposed to come unto you, (but was let hitherto,) that I might have some fruit among you also, even as among other Gentiles.”** (Romans 1:13)

**Souls along the way** A lady in Pensacola, Kimberly (about 45) got saved about three months ago. We gave her instructions concerning Bible reading. She's growing in the Lord.

**Typical request** Here is just one of many requests that we get from those that are involved in evangelizing their county, in Ukraine. *“Please send us the King James Bible for evangelistic work and spiritual development; the New Testament and the five books of wisdom 1 box; information about the correspondence Bible school 48 lessons; theological studies; various types of tracts. We will be sincerely grateful! Preaching in church, street evangelism, with the distribution of literature, tracts, New Testaments, with free distribution in tent ministry on the street, in hospitals, etc.”* Within the last month or so, we've received at least ten requests of this kind.

One of the men that we laid hands on (right, Rostylav) is the pastor of a church in eastern Ukraine. Here are three of his members (left) holding the 7<sup>th</sup> edition of the Russian translation of the KJB. Where would we be without our King James Bibles? What about other countries? Should they have perverted ‘bibles?’ **“...for ye have perverted the words of the living God...”** (Jer. 23:36).

**Jew to Jews** Brother Andrey, a Russian Jew that immigrated to the States settled in Portland. He is the President of a radio broadcast there. Years back he got ahold of our translation. Now he has recorded

reading almost the entire New Testament for us. He recently made a trip to New York City for a Jewish holiday. This is what he had to say, *“I brought two Russian King James Bibles to New York and gave them to the pastors of the Beth Shalom congregation for the Feast. They were very happy!”*

**“...the word of the Lord may have free course, and be glorified...”**

We are thankful for our son-in-law, David Lohman, who has organized the printing and shipping 100,000 Ukrainian New Testaments to South Carolina to go on a container to Ukraine. What we did not expect was yet another request for that to be done *AGAIN* by springtime. Ephesians 3:20 all over again. **Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,**

**Testimony from Radio Ministry** Here is a letter from another Ukrainian. This brother got saved listening to our Broadcast, **“Good Fight of Faith”** – *“I live in Massachusetts and moved from Ukraine to where you were in Kyiv. I am familiar with your materials from Odessa (Ukr.) and believe in eternal security. I listen to your “5-minute Look in the Book” on your channel and sermons. I want to learn more about Peter Ruckman’s materials. [“he being dead yet speaketh”] I was saved by his sermons.”* [We’ve translated well over 80 sermons into the Russian language.] ...*It happened to be in the car. I simply turned to the Lord Jesus Christ, and the Lord saved me. Thank God that we have an authority, and we can believe in His only word. For me, the verse in this Bible [Russian KJB] was key: Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth. You have done a very good job for me personally; this is an inexpressible blessing for my spiritual growth and knowledge of the Lord God!”* **“In all labour there is profit:”** (Proverbs 14:23)

**From Belgium**, *“I’m a missionary and I live in Belgium. I need Russian King James Bibles. Can you tell me the shipping price because I need that for Russian people. May the Lord bless you. Amen.”*

**Evangelist, Sasha with wife.** (left) Another one of our graduates travels quite often to various counties of Ukraine preaching and tracking, wherever he goes. He gives us reports from time to time about souls getting saved.

**Health** We’re seeing a bit more improvement concerning hip and knee arthritis. We’re working through the pain little by little. Please pray the Lord will continue to work in the weak areas and give more strength and mobility.

**Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me.** Isaiah wasn’t ‘called.’ He VOLUNTEERED! He ends up preaching for about 55 years. Where are you, volunteer?

**We sure do appreciate your prayers and support.** We’ve had meetings in Alabama. Please pray for our travels from church to church and from state to state.

Sincerely, Bro. Demopoulos (Rom. 10:13-15)
