

REA FAMILY

MISSIONARIES TO ZAMBIA

August/September 2026

Dear Friends,

In August I was able to fly out to the North-East for two weeks of meetings. It was a full trip with eight churches spread across Maryland and Pennsylvania. It was a blessing to be able to minister to those churches, and to share with them the calling the Lord has given us to go to Zambia. Praise the Lord, three have already taken us on for support. We are so very thankful for God's provision through the generosity of His churches.

Towards the end of August, our whole family got back on the road full time. We are thankful Elisabeth didn't have to travel full time throughout the summer, and we are also beyond thankful for some of the extra time she was able to have with our sending church.

It has been exciting to begin traveling together as a family again; Already we have presented in churches in Montana, South Dakota, and North Dakota. I was also able to fly out for meetings in Virginia, Delaware, and Maryland. Our travels have literally taken us from coast to coast, but we are enjoying the sweet time of fellowship with churches, and we are very excited to be nearing our return to Zambia.

Many of you know that we were involved in a car accident in August that totaled our vehicle. While it was quite a shock, thankfully we are all uninjured and the insurance covered the cost of our vehicle and car seats. We are so thankful to be safe, healthy, protected, and provided for. God has truly been good to us.

This past week, we were able to purchase our tickets to return to Zambia. Praise the Lord, on January 13th we will fly home to Lusaka! International airfare has continued to get more expensive with every year, but we are so grateful to have a God who knows our needs before we even know them. The day before we purchased our tickets, we had a supporting pastor reach out to let us know they were increasing our financial support, and he additionally sent us a check for $2,400. Sometimes we don't know what tomorrow holds, but we are so blessed to know that our God can supply exceeding abundantly above all that we could ask or think.

Thank you for your prayers,
Jacob and Elisabeth Rea
