

The past 60 Days have truly been incredible.
Here's what it has looked like...

60 Days ago: FRIEND DAY

Our plan was to invite 23,400 for FRIEND DAY!

Each of our Global Surge Churches and pastors set their own goals and we were bound and determined to pray extremely hard and work just as hard as we prayed.

God had bigger plans and we had 27,726 in our grand total attendance for Friend Day!!

That's 4,326 more than we planned for!!

40 Days ago: We surpassed our 1K Leader Army Goal

We achieved our goal to fully train and equip 1,000 C-Group Leaders. We call this our 1K Leader Army. This last August we reached and surpassed our 1K Leader Army goal and reached 1,138 C-Group Leaders!!

MMM launches our churches into our Meet My Kaibigan (friends) Parties (MMKP).

MMKPs are Community Group parties with the sole purpose of sharing the Gospel with our closest friends in a welcoming C-Group environment.

Last year we had 4,658 un-saved, un-reached friends attend and 2,606 of them (over half) made a personal profession of Faith in Jesus Christ!

Prayer for the next 60 days:

1. MMKP Season: Each C-Group is preparing this September for our Evangelistic Parties.

2. Salvation of our lost friends; Parties are scheduled from Oct 1-15

3. We are LAUNCHING A NEW CHURCH! September 18, 2022

Pray for Pastor Saldy and his team as they prepare and follow up after the grand opening.

4. Global Surge Mission Experiences: Groups arriving in Manila October & November!

Praying with you!

Luke, Kelly, Scott, Everett & Virginia Lyons
