Dear Pastor and Praying Friends,

Greetings from Mexico! This past month has been full of activities, adventures, and challenges in the ministry. We started our fifth year of Bible college. How time flies! This year we have a total of sixteen full-time students. We look forward with great anticipation to what the future holds for these young people.

This past month we celebrated Mexican Independence Day. I thank the Lord that we have the opportunity to serve in a free country! As we celebrated this special day, I pondered on the word freedom and what it truly means. I thought of the still millions of souls that though they live in a free country are still in bondage because of sin. How we constantly need to be spreading the good news of the gospel. We have had the privilege of seeing several people get saved, including a deaf man that visited the church on Sunday and trusted Christ as his Savior. God continues to work in lives through the preaching of His Word.

For some time now we have asked you to help us pray for a national pastor for the church in Tequix. The youth pastor of the church in Tula is going to begin working with us as we work towards turning the church over to him. We covet your prayers for wisdom during this process. It is our prayer that the Lord will knit the hearts of the national pastor to the people of the Emmanuel Baptist Church.

We continue to ask you to pray with us about the purchase of the camp property. Several churches have already participated, but we are still lacking funds necessary for the purchase. It is our prayer, if the Lord allows, to be able to purchase it after the first of the year in order to have things prepared for the summer activities. Brethren, thank you for your faithful prayers and support. God is good. May the Lord continue to richly bless you as you serve Him.

Trusting in Him,

Matt and Annetta
