

Mike & Lattisha DOBBINS

Missionaries to ZAMBIA

August 2026

Twikatane Baptist Youth Camp

The Lord allowed me to be the main preacher for the first time at youth camp. The camp was founded by retired BBFI missionary, John Riggs, but he has always allowed our teens to go. We sent 29 teens from our three Chingola churches and the total number of campers was 147. I preached 10 sermons (2 each day) during the 5-day camp and the word was well received. Many decisions were made and 12 teens received the Lord as their Saviour, three of whom are from our Chingola churches. Please pray that the young people follow through on the decisions they made for the Lord at camp. Amen.

The Lord also gave me an opportunity through Brother Mike Fluech in South Africa. The parents of a young lady in Bro. Fluech's church are up here in Zambia in the town of Mufulira running a large farm. Stevin Stewart is the gentleman's name who contacted me and said he would like for me to send "a Bemba speaking preacher" who can preach the Gospel to his 300 farm workers. I told him, "*I am a Bemba speaking preacher who would like to do that.*" So I arrived at the farm at 7:00 AM and they called all the workers around my pick-up and I jumped up on the tail gate. The crowd was astonished as greetings and the Gospel were explained in their own language. They listened intently for about 20 minutes to the preaching of sin, judgment and Hell, and the Good News that the Lord Jesus has paid it all. Amen! Please pray for these folks as they also received tracts. My plan is to go back once a month, Lord willing, and build on that foundation so that we might see some of them come to salvation through the Gospel. Pray! Amen.

Land Bought for Kasombe Church Plant! Praise the LORD!

Thank you for your prayers for our efforts to find a plot for our new church plant, Bible Baptist Church of Kasombe. The land is actually in an area called "Chingola South" rather than Kasombe. This is a much better area as it is very populous and growing rapidly at this time. It is nearby a new government school that is being constructed and on a main road which answers our prayers that we find land in a "good location." We only paid \$4,250 for the land which is a steal of a deal. Praise the Lord! Now we do more paperwork for change of ownership and then start the Title Deeding Process. We need more prayer for these things please. Amen.
