August 2026

Dear Partners in the Ministry,

We began the month with a trip to Lusaka, the capital city, for a passport renewal appointment, to purchase some building supplies for the work on our property, and to pick up our newest team member, Angela Morgan. Angela will be instrumental in working with the young ladies and women in our church, as well as helping with the music and children's ministries. Please pray for her as she settles into life in Chipata and gets involved in the ministry here.

The Bible says in Luke 10:2, "Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." Although Zambia, along with countries all over the world, is in desperate need of more missionaries, we thank the Lord for sending us another labourer into the harvest. We are grateful for the ministry team the Lord has given us, and we continue to pray that He will grow the team as He sees fit.

This month, Zambia also held its presidential election. Although there was some uncertainty regarding possible social unrest in the days surrounding the election, overall, things remained fairly peaceful here in Chipata. Apart from postponing one of our normal events during the week of the election, we were able to continue the ministry as usual.

It has also been a blessing this month to see one of our young men, who trusted Christ back in February, complete our discipleship course. It has been exciting to watch him grow in his faith and serve the Lord. We also praise the Lord that the teenager I mentioned in our last prayer letter, who had been wanting to learn more about how to have a relationship with God, trusted Christ! Please pray for him as he begins to grow in the Lord.

Last week, I was able to take several of our city church men back out to the village, where I taught a class on dispensational truth. We also travelled to a nearby village market, where we were able to spend some time distributing Gospel tracts.

We thank the Lord for the productive month He has given us, and we are grateful for all those who faithfully pray for and support our family and ministry here in Zambia.

Sincerely,

Isaiah, Alicen, Faith, Isabella, and Willow Carr
