Dear Praying Friends,

Because of its intense vigor, the gospel of Christ possesses the ability to cross boundaries and open doors which would otherwise be closed. Hence, the power of the gospel never ceases to amaze us. Take for example, Juan De Dios Farrera, a 70 year old Church of Christ pastor from the west coast of Chiapas. Last month, Juan called and told us that he has been listening to Compassion Radio for close to a year now, and that his mind, heart and soul have been conquered (converted) by the gospel of the grace of God which we preach at Compassion. Juan is leading his congregation out of the Church of Christ sect (which teaches water baptism for salvation), into Christ and His glorious gospel of grace through faith without works. Now, Juan's 18 year old grandson (Marcos) is preaching the gospel of Christ, not a watered down (pun intended), useless gospel.

Folks, when the Bible says that the gospel of Christ is the power of God unto salvation to everyone who believes, it says what it means, and means what it says. His gospel is powerful enough to save any sinner, in any religion, anywhere, anytime...no exceptions. Have we understood this power? How many other people like Juan and Marcos are out there, waiting to hear the good news of the gospel of the grace of God? They have been religious all their lives, believing that God justifies, sanctifies and blesses them based on the merits of their own good works. However, the gospel of Christ pierces through every layer of religious armour, and brings them into the saving light.

We ask that you continue to pray that God would provide the necessary funds for the Sonora radio station. God has already provided about half of the necessary equipment for this radio.

Thank you for your continued prayers and support.

Lets build another radio station!

Grace Be With You,
Tom Sloan
