## **MISSIONARIE TO MEXICO**

**For I determined not to know anything among you, save Jesus Christ, and Him crucified.  
(1Corinthians 2:2)**

**Dear Praying Friends,**  
In a world of turbulence, it is easy to get sidetracked. By God's grace we are continuing to keep the main thing the main thing. Our objective as always is to share the lifesaving message of the gospel with as many people as we possibly can. We seek to keep an eternal mindset in these uncertain times. Thank you so much for your prayers and continued support in helping us to evangelize those who need to hear the life changing message of "Jesus Saves".

As I am writing this prayer letter, we are expecting a semi load to arrive here in Mexico with approximately 35-40 pallets loaded with Scripture. We are expanding this year with not only giving out Scripture in Mexico, but we are in the progress of working on shipments to some other countries who desperately need the gospel. Because of the sensitive nature of these shipments, I cannot give you the where, as of right now. Please be in prayer of these much-needed future projects. As we negotiate the price of shipment and continue to talk with our contacts in these volatile countries as we can publicly release this information we will rapidly update you as soon as possible. Please continue to pray for us for God to give us wisdom and discernment in these projects, also pray that we will be able to raise the funds for these container loads of Scripture. This has been a slow but steady process we are just trusting the Lord and His timing.

We are excited to have the Clark family arriving here around March 22. They will be living here full time and assisting us here in Sonora Mexico. This is much needed as it seems like there isn't enough hours in the day to complete the task at hand. Pray with us that the Lord will give them grace as they get used to living here in Mexico, it will be a shock to their system i'm sure.

The church here has been steady and growing as we are going through the Books of the bible this year and finding Christ in every book. we have covered Genesis-Numbers, and Matthew-Romans so far.

Things have been a little unexpected here in Mexico, but we are still delivering scripture and continue to post pictures of what God is doing. We are just a little more cautious while traveling. We are working on some very exciting out reaches this year in Mexico and will be able to share them once it comes to fruition.

We are already gearing up for our big Christmas outreach "Operation Compassion 2026". Please pray about helping again this year, we are constantly finding towns we have never

**been to before where we can not only give the kids a Christmas but share Christ with the whole family.**

**Again, continue to be in prayer for us as we greatly appreciate it. I know we have been a little vague with the future plans, but you will understand why when this begins to come to fruition. Thank you for keeping us on the mission field and for your prayers and continued concern for our safety.**

**Remember if we are to change the World it must be through the Lord and His Word. We have learned over the years that The Word Of God will do the Work of God.**
