February 2024

## Dear Prayer Warriors,

So many times we are taken aback with so many things happening that seem aimed at hindering our efforts and service. Times like these make us grateful for having such a **WONDERFUL LORD** whom we can go to, and for having fellow Christians like you who hold us up in prayer. Thank You!

In our Feb. 4th Update we listed some of the problems we faced while preparing for our Family Camp this year. Water tower, Solar panel inverters, Tractor, wells, etc... On Feb. 8th, the day before camp, **Peter injured his left arm** when he went to pick up a refrigerator. He endured the pain throughout camp and just today was able to see an orthopedics doctor who said he has torn the lower bicep tendon from the bone, ordered an MRI and referred him to a shoulder and elbow specialist. Please pray!!

Also during camp, one of the families that came from PA, got news that their **19 year old daughter** who stayed in the U.S. as she was in college, had suddenly **fallen ill to an unknown infection that led to sepsis**, and was in the hospital with serious health complications to the point that the doctor recommended that the parents return to the U.S. So they left in the middle of camp to see their daughter in Greenville, SC. Praise God she is now out of the hospital and back with her family, but still recuperating, though no one knows what caused this.

Also during camp a **3 yr old girl fell head first** off a 3ft counter and had to be rushed to the hospital bleeding from her ear. Praise God she had no fracture or internal injuries and they actually came back to camp the next day. God is good!!

With so much happening, we couldn't help but think that God had great things prepared for this Family Camp this year.

## “BUT GOD”

This is our camp theme for this year. “But God”! Even when things seem down, “But God”.

- ◆ **“BUT GOD”** - Gave us a record camp, reaching 300 campers.
- ◆ **“BUT GOD”** - Brought such joy to each heart that when they sang it was true praise from the heart. “A taste of Heaven” as some put it.
- ◆ **“BUT GOD”** - brought salvation to a few that were lost, drew many of the saved to a closer walk with Him, and brought His people together in a wonderful and harmonious spirit.

We praise God for Pastor Jacob and his family, and for the preaching of God's Word. We thank God for all “the Americans” that came down and worked hard helping prepare for camp and sharing God's love even not speaking the language.

We thank each of you who prayed for us and this camp. God has heard your prayers. We would also like to thank the churches and individuals who have donated towards the repair needs. You have no idea how much you have alleviated our financial burden.

**The church in Eldorado**, is doing well and growing slowly. We praise God that some who were at camp have since decided that they now want to follow the Lord in Baptism. Praise the Lord!!

Please continue praying for;

- Camps ( 7 more this year)
- Church - salvation and growth.
- Stanley and Kevin in college.
- Peter's arm.
