Dear Praying Friends,

The power of the gospel of Christ to save sinners never ceases to amaze me!

We are happy to announce our first ever church plant in the state of Tabasco, Mexico. I have been discipling Brother Carlos Gallegos in the gospel of Christ since July of 2024, and earlier this year, he planted his first church in Macuspana, Tabasco. They have a regular attendance of about 20 in their services, and they continue to grow as the Lord adds to the church such as should be saved. I am reminded of the Apostle Paul's words in 1 Corinthians 3:6: "I have planted, Apollos watered; but God gave the increase". The increase in the church in Macuspana is due to the gospel of Christ, which is the power of God unto salvation to everyone who believes. If we preach, they will believe, because this world is full of sinners in desperate need of God's redemptive mercy and grace.

Does radio ministry work? Yes, it does! The church in Macuspana is more evidence in a long line of church plants, that radio ministry does work, because this new church is fruit of Compassion Radio. God used Compassion Radio as a means to bring Carlos to us, that we might disciple him in the gospel of Christ, and now, he has stepped out in faith in the power of the gospel, and planted a new church.

This is not evidence of the power of human effort, discipline, faithfulness, obedience, or ingenuity, but rather, of the work of God by the power of Christ's death, burial, and resurrection. So, I conclude that the gospel of Christ is where it's at!

Thank you for your love, friendship, prayers, and support.

Keep preaching the gospel!

Grace Be With You,

Tom Sloan
