Missionaries to Ukraine

October 2026

First, we are very thankful for the churches that helped us make this trip. A lot was accomplished. In the city where we started a church last year with a national, we were able to meet the mayor, Bogdan. (left) He is holding our translation of the King James Bible in Ukrainian. Behind us is a wall of pictures of men from that city that have died in the war. As long as this war continues, he wants to send our literature to his soldiers on the eastern front. *Please pray for the salvation of soldiers on the front lines*. (Right) He received three boxes of N.T.s, Johns and Romans and tracts. And this is only the beginning. **...the word of God is not bound.** (2 Tim. 2:9).

Salting down "Magog" territories - We recently received a container of New Testaments and Bibles. We're yet to receive *another* container with the entire translation of the Ukrainian text. The most popular Ukrainian text by Okienko (1962), (he was an Orthodox priest) has more corruption in it than the most popular Synodal, Russian bible of the Orthodox Church (1876). **"Come out of her, my people, that ye be not partakers of her sins..."** (Rev. 18:4). In the meantime, David Lohman, my son-in-law, will be sending boxes across the country to various people that we know and to others that order our text. God has given us a network of men throughout Ukraine that we've trained. (right) A load of New Testaments (Ukrainian) and Bibles (Russian) were received by Bro. Lohman and stacked in our church building in Kyiv.

Need – Because of the bombs and drones coming in quite often into Ukraine, especially Kyiv being the main target, there is no electricity quite often. During the cold winter season coming up, the heating system; boiler, the water that is pumped through the radiators, etc, will eventually freeze up and ruin the entire system. *We need a generator and installation of it*. *We're looking at about **$5,000** to cover everything*.

More news - Recently, *the southern bridge,* that we've traveled often to cross the river to the other side of Kyiv, was hit with a drone. The war is intensifying!

Close call – While in Kyiv, brother Lohman one evening was traveling through a particular region and went by a gas station. The next day that very gas station was hit by a drone. *Prayers redirect bombs or us from getting hit*.

More fruit (left) – In western Ukraine, in brother Boris' church, his father-in-law, Mikhail came forward and trusted the Lord Jesus Christ to save him. Since then, he has been reading his Bible. On this trip, we've seen about three souls get saved. A lady that we've been witnessing to for about 15 years finally got saved and is going to church regularly.

Two more pastors ordained – While on the western side of Ukraine we ordained two more pastors and commended the churches **to the Lord** (Acts 14:23). Both men (Bogdan and Anatoliy) have been pastoring now for about 10 years. Both studied with us at our Bible Institute.

(above) Bogdan and some of the men from his church. (right) Anatoli (75 years old) is the oldest pastor we've ordained.

(left) We pitched tent here years ago. Now Bogdan is putting on a new roof and making major repairs.

More Radio, Lord willing - We are very thankful for the support from Bible Believers Baptist Church of Corpus Christ, pastor Bevans Welder for helping us for another year of radio broadcasting. Our sermons are being aired at least twice a week from a tower in **Portland**, Or., and **Riga**, Latvia. The signal covers all western Russia. **Not only that,** but we now have also heard that a tower in **Transnitsia**, (Pridnestrovia, tucked in between Ukraine and Moldova) is opening. The signal will be covering as far south as **Bucharest** Romania, as far south as **Istanbul**, all the way to **Warsaw** Poland, all of **Ukraine**, to **Minsk** Belarus, and up to **Moscow**. <u>*Please pray that this will go through and that we'll be able to get our sermons on the air*</u>. Of course, most likely this means <u>*more funds*</u>. <u>*May the will of the Lord be done*</u>.

(left) This is one of several evangelists (central Ukraine) the Lord has given us. Sasha travels on a *bicycle* to various parts of the country, hazarding his life preaching the gospel and passing out tracts, New Testaments, Johns and Romans, and Bibles, etc. **Where *there is* no vision, the people perish:** (Prov. 29:18)

U.S., Lithuania-Russia connection! A man from Lithuania, Gintautas, sends our Bibles out to various parts of Russia since Russia is not receiving Christian literature from the States. *"There is more than one way to skin a cat."* A brother from **Krasnodar**, Russia, southeast of Ukraine, (**pop.** 1,154,885), received two Russian translations of the King James Bible via Lithuania. He writes – *"Hello, brother. I took two copies of the bible, very satisfied! A friend left town, at the next Sunday meeting I will give him a gift, thank you in advance from him! I have already begun to study the translation, thank you for your work!"*

More requests. Near the Belarus border – *"Please send us the King James Bible for evangelistic work and spiritual development; the New Testament and the five books of wisdom 1 box; information about the correspondence Bible school 48 lessons; theological studies; various types of tracts. We will be sincerely grateful!"*

Now the Ukrainian text – *"We want to thank you for your work before the Lord, which is not in vain. I distributed the Bibles you sent. Everyone liked them. It is very valuable and pleasant to have a translation in Ukrainian, thank you very much for translating and printing. May the Lord protect you!"*

Another Student - The Lord continues to send us students that want to study with us. Evnika, 28, who is from **Saratov**, Russia, (**pop.** 890,000) which is about a 19-hour drive northeast of Kyiv. Recently, she immigrated to the States. She was saved as a teenager but went to a Pentecostal Church and never had any assurance of her salvation. The Lord has blessed us with students now for over 25

years. For the most part, these are people that go through the lessons with the Russian translation of the KJB or now the Ukrainian translation. We are thankful for God's many blessings.

Finally – *PLEASE PRAY THE LORD GIVE US MORE MEN THAT WE CAN FULFILL 2 TIMOTHY 2:2 AND PLANT MORE CHURCHES*. **Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.**

We sure do appreciate all of your prayers and support. They mean much to us.

Sincerely,

Bro. Demopoulos (Rom. 10:13-15)
