*"Being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God." Philippians 1:11*

*Dear Brothers and Sisters in Christ*

**Gratitude!**

We begin by expressing our gratitude for your faithfulness in allowing God to use each of you to be a blessing to us and the ministry here in Brazil. We truly recognize that the fruit of this ministry is also your fruit, and we are deeply thankful.

**Back to Work!**

Since returning to Brazil in December 2025, it has been a rush with end of the year activities both at church and camp. Plus all the preparations for our biggest camp of the year, Family Camp. We Praise God for the brothers and sisters from the churches in the area who came out on Saturdays, to help get things ready. Usually 35 - 45 volunteers would be present donating their time and talents for this ministry.

**Family Camp - Theme: "I'm NOT Ashamed!"**

We praise God for our recent Family Camp, which was an incredible blessing. We had more than 300 people in attendance, and we witnessed many decisions for salvation. There were also powerful moments of commitment, as many chose not to be ashamed of Christ but to stand boldly in their faith. It was a time of renewal, restoration, and spiritual growth. We are confident that eternal fruit was planted during those days.

**The Church - in Eldorado**

The church is doing well, and we are encouraged by what we are seeing. Many teenage boys have been coming, and we clearly see a new generation rising up. This brings us great joy and also a deep sense of responsibility, as we commit to training, discipling, and investing in these young lives for the glory of God.

**Upcoming event!**

We also want to share that Stanley's wedding will take place on April 4th. It is a special season for our family. We will be traveling to the United States. We appreciate your prayers for safe travels and all the preparations for the wedding.

**Special Requests:**

\* Pray as we work on getting the Camp Property transferred out of Dad's (Robert Doolittle) name and into the name of the Mission (Missão Batista Maranata), created for the purpose of owning and developing the property for various ministries in work of the Lord.

\*\* Pray for our water situation at camp. For family Camp we had to buy two truck loads of water to make it through camp. It is rough when you have to keep telling everyone at camp to "be quick in the showers" and "only take one shower". With temperatures in the 90's.

\*\*\* We are also needing to replace most of our external electrical system, as it is not up to code and the breakers are not handling the loads.

+ Construction of our new classes and fellowship hall at church to be re-started in May.

Thank you again for standing with us. Your love, generosity, and faithfulness mean more than words can express.

In Brazil for Christ,

*Peter, Zirlene, and Kevin  
Doolittle*
