

# The Campbell Family to Scotland

Dear Brothers and Sisters in Christ,

June 2021 - August 2022

We have just passed our four year mark of being on the mission field, praise the Lord! We are thankful and blessed to be here, and thankful for the ministry the Lord has let us be a part of.

This past week I got to deal with an atheist fella named Mark. He was an ex Catholic with a lot of questions. Another man in our church named Christopher was with me dealing with him. At first Mark was pretty belligerent and aggressive, but as we started to answer his questions with Scripture, he started to calm down and listened to the gospel. At the end of it Mark took a gospel tract with a smile and said something very encouraging. He said, "I've gone into Catholic churches and Protestant churches as well as mosques and synagogues and I've asked all of them some of the same questions I asked you guys today, and they always deflected and tried to get around the questions. But today you guys didn't try to sidetrack one question I asked and you gave me some answers that I've been looking for." I told him that it didn't have anything to do with us or our abilities. I held up my King James Bible and said, "This Book right here has got the answer to those questions you've got." I would appreciate your prayers for Mark and his salvation.

That same day I dealt with another fella named Frank. I've dealt with Frank on another occasion and I asked him if he had received the Lord yet. He said that he hadn't accepted Christ yet because he felt that he should be respectful and open to all religions. He then quoted Joel Osteen. I told him that ol' Joel was a wicked liar, and then I took him through some scripture where Jesus made it clear that He was the only way to the Father. Please pray for Frank to receive the Lord as his Saviour.

A couple of weeks back, we were out on the streets giving out gospel tracts and street preaching when Katy handed a tract to an older woman and started to witness to her. Katy asked the woman for her name. The older woman responded, "My name is Katy Campbell." She had been raised in a religious home but she had never been saved. It wasn't long after Katy had given Katy the gospel that the woman prayed with her and accepted the Lord Jesus Christ as her Saviour. It's not everyday that you get to lead someone to the Lord with your own name. We also had a good laugh at our church service later that day when brother Vogelpohl announced that Katy Campbell had gotten saved that day!

I appreciate your continued prayers for Katy and her migraines. We have found more things that seem to be helping with her overall health and energy, and the migraines have started to decrease. She still has some really bad days though and we \ appreciate your continued prayers for her.

I would like to extend our deepest gratitude to you for your prayers, encouragement and support for us. The Lord has used you folks to take care of us and help in more ways than you know, and I can not say “thank you” enough.

Lord bless,

The Campbell Family
