Dear Co-laborers,

We hope this letter finds you well! There is some **exciting news** that we have been eager to share with you. *God has been answering prayers in some really significant ways*, and we want to **give Him praise** and **thank you** for standing with us **through your faithful prayers and support**.

Bible Club Approved!

The news we have been waiting for has finally come—we **have been given permission to start a Bible club at one of our local elementary schools!** After months of building relationships through our volunteer work and waiting on the Lord's timing, the door has opened. Gratitude to God for this opportunity fills our hearts, and **we are deeply thankful for your prayers**. This is an answer we have been hoping and praying for, and it is amazing to see how the Lord has worked.

Meeting with students once a week will give us opportunities to share Bible stories, do activities, and build relationships with them. Our heart is not only to reach these children with the Gospel but also to connect with their families. As we get to know the students, our prayer is that opportunities will arise to build bridges into their homes and share Christ with parents and siblings as well.

Would you continue to pray for this ministry?

***Pray that the Lord would draw these young hearts to Himself.**

***Pray for wisdom as we teach and connect with the students.**

***Pray that doors would open into families, and that this Bible club would become a pathway for entire households to hear the good news of Jesus.**

A Place to Gather

There is also wonderful news about our church plant! After searching and praying for the right space, the Lord has led us to a place to rent for our Sunday services. The conference room of a local hotel here in Aberdeen will become our gathering place. It is a good space that will work well for us as we get started, and gratitude fills our hearts for how the Lord has provided.

The first gathering of COMMUNITY BAPTIST CHURCH is planned for Easter Sunday. What a perfect day to launch a **new church**—celebrating the resurrection of our Savior as we gather together for the first time! There is still much to do in preparation, but the path forward is clear, and anticipation is building.

Please pray for us as we prepare for this launch.

***Pray that God would bring the right people to join us.**

***Pray for those in our community who do not yet know Christ, that they would be drawn to our services and encounter the living God.**

***Pray for wisdom and strength as we work through all the details of starting a new church.**

***Pray that this church would be a light in Aberdeen, reaching people with the hope and truth of the Gospel.**

We cannot say this enough—**THANK YOU!!! Thank you** for praying with us through the waiting and the uncertainty. **Thank you** for believing in what God is doing here. **Thank you** for your partnership in this work. Your support has sustained us and encouraged us more than you know. It is an honor to serve **alongside you** and **on your behalf** here in Aberdeen, and we are excited to see what God will continue to do through your faithful prayers and generosity.

Updates will continue as these ministries develop. *Challenges will surely come, but God is faithful and has called us to this work.* With your prayers and His strength, moving forward is not just possible—it is our joy.
