

The Demopoulos Family Missionaries to Ukraine

February, 2023

Meetings

(left) This is what some of the Russian soldiers thought of the Bibles that were found in a home when they came through a town (Irpin) just outside of Kiev.

War story request –

The latest that has happened in Kiev, where our house is, Russia is sending in kamikaze drones to hit their intended targets. Ukraine intercepted one drone and it fell not but a half a mile from our house and blew up.

It is really something to see places that are getting hit in Kiev where we've walked those very streets passing out tracts and even street preached through the years. God only knows how many people that may have eventually gotten saved either by the preaching, or tracts or personal work who have either been killed or have escaped to another part of the country or even fled to another country. In heaven we'll know that our labours were not in vain.

Prayer Request for a good brother from Russia

Also, one of our men from southern Russian (just east of Ukraine) asks for prayer. Because there is a mandatory draft in Russia, Vlad, one of our students may get drafted. If he does, he hopes that he will not be put on the front lines. That means killing Ukrainians. He has been with us a number of times in Ukraine for summer camp with his son, and Bible Institute classes. He has become 'one of the family.' So please pray that Vlad may be spared from a real 'stiff' situation from getting drafted or not put on the front lines.

Shipments of Ukrainian KJV'S going out

We want to thank the Lord for giving us the opportunity to ship out **Ukrainian KJV New Testaments** to various counties of Ukraine. This brother (right) in central Ukraine is one of our main targets. He's got a constant flow of people coming through that receive the New Testament.

Also, we now have the entire Ukrainian translation of the Old Testament completed from the King James text. We need to still make some corrections and then format it for printing. Please pray that we'll get through some basic corrections and eventually print the entire text. We need to 'strike while the iron's hot.'

fruit for our Lord and Saviour.

Bible Radio 'Good Fight of Faith'

We continue to put up more evangelistic messages for the salvation of souls. Besides that, God has given us two towers: one in Portland, Oregon, another Riga Latvia, and now three internet stations where Slavic folk are hearing Gospel messages. God only knows how many Russian / Ukrainian speaking peoples around the world are hearing salvation messages and are, or will get saved. There are people that are in need of salvation or for spiritual growth. If you think there is a wilderness and shortage of Bible believing churches in America, you have no idea of the condition especially in **Gog** and **Magog** territories.

(Left) These are just two of many men, preachers and teachers of the word of God that have received a book we put together called **"An X-Ray of the Synodal Bible"**, (the corrupt text of the Russian Orthodox Church). Many folks don't understand that the eastern branch of the **"whore," "THE MOTHER OF HARLETS"** is 'alive and well,' concerning perverting bibles and of course **"...with whom the kings of the earth have committed fornication..."** So, God continues to give us men that are **"[coming] out**

from among them..."

Macedonian call from Western Ukraine

Two other men from western Ukraine that have taken our correspondence courses are passing out tracts and New Testaments in the Ukrainian tongue. They are looking for us to return and help get a work started.

What few of our members that are still in Kiev, and others that are scattered and or have left the country need encouragement. Please pray that God will keep them safe and bless their walk and testimony and that they will boldly witness that more sinners might be saved. To God be the glory!

We are taking more meetings now.

Thank you so much for being such a blessing to us.

Sincerely, Bro. Demopoulos (Rom. 10:13-15)
