Dear Pastor and Praying Friends,

The summer and its activities are once again here. We continue to pray for God to do a special work in the hearts and lives of our young people. The purpose of this letter is to express an opportunity that we have been given. It has been my privilege for the last fifteen years to be the camp director for our camps here in Mexico. Over the years at camp, we have seen many young people saved and surrender their lives to serve the Lord. Several of the pastors of the churches that come to camp and missionaries serving around the world were impacted as a result of camp.

We rented a camp ground for almost twenty years before we were forced to move. Over the last few years we have moved around in search of a place with adequate space for our needs. We have prayed for years to be able to have our own place to continue to reach the next generation, but until this moment it had not been a possibility. Recently, I have been given the opportunity to buy the campground that we previously used. The property is approximately fourteen acres with several buildings although they are run down. The owners are asking a total of three hundred thousand dollars. This is a tremendous reduction price from what they have been asking for the last ten years. The time has come to extend the need to others that might be able to help financially and prayerfully. Our church in Mexico has saved a third of that amount, and we are looking for churches and individuals who would like to invest in reaching the next generation of Mexico. After purchasing the property, we would need to do some much needed restoration, yet we are excited about the possibilities.

If you have any questions or concerns, you can contact myself or Pastor Adam Thompson. Any contributions given should be designated as "Mexico Camp Fund" and sent to Word for the World. I appreciate your prayers and any help that you may be able to offer. May God bless each of you.

In Christ,

Matt Johnson
