Sharing the gospel of Jesus Christ in the Kingdom of Cambodia

MANY MORE TRUST CHRIST!

Brothers and Sisters in Christ:

We continue to visit areas populated by not only Buddhists and Hindus but Muslims as well. Lai Heng, one of the orphans we raised in the Children's Home, is now a licensed doctor and she travels with us to distribute and administer medicine to the villagers. This gives us a great opportunity to share the gospel with them and many get saved. The greatest challenge we face is providing them with discipleship and Bible Study. Please pray that the Lord will lift up men as pastors and teachers in these remote areas.

At one of the new churches near the Vietnam border we have been blessed so much. Trailhead International donated the building seen in the pictures below and we were able to erect the structure ourselves. Over 100 people have since gotten saved under the guidance of Pastor Piseth!

In other parts of the provinces Pastor Sandy has taken the leadership of Pastor Song's church after Song went home to be with the Lord. Pastor Hai now has 2 churches and Pastor Lot now has 3 churches that he is leading. I continue to disciple these pastors regularly and I am excited for their willingness to branch out in the areas they live in. Please continue to pray for these men!

We are looking forward to the Christmas season and the opportunity to distribute many more shoeboxes. Samaritan's Purse has designated me as the Prayer Coordinator for Operation Christmas Child in Cambodia. I am very thankful that I can be part of this effort to reach the lost. There are so many that have not yet heard the gospel.

The numbers from the distribution of the Christmas shoeboxes earlier this year estimates that 80% of the kids aged 8-14 receiving shoeboxes made a profession of faith in Jesus Christ and that 35% aged 11-14 are now being disciplined! Praise God!

We are so grateful for your dedicated support and prayers for our ministries here in Cambodia. We still see the Gospel working in the hearts of people who have never heard it and sat so long in darkness. All of us here want to encourage you and assure you that your participation is vital in our efforts to raise these kids in the light of God's Word and bring Jesus Christ to the people here.

Please pray for Selah as she is still suffering from back pain. She has been prescribed some pain killers. We are not considering surgery but we seek the Lord's wisdom in treating this condition. We thank God that all the Children's Home kids are so helpful to her in getting work done.

Please pray for all of us who are here doing the Lord's work. Everything you do for this ministry is a part of every soul we see saved!

Thank you so much! Pilot and Siela Nhap
