Peter Doolittle Family Newsletter

Dear Brothers and Sisters in Christ

We are living in a time when the days seem to be growing shorter. As Jesus said in John 9:4, "I must work the works of him that sent me, while it is day: the night cometh, when no man can work." We are thankful for every opportunity the Lord gives us to serve Him here in Brazil.

Family:

We praise the Lord for the beautiful, Christ-honoring wedding of Stanley and Abigail on April 4. They are presently on deputation and are trusting the Lord to raise support so they can return to Brazil next year as missionaries. They will spend the next few weeks with us, helping with our inaugural English Camp and our Children's and Teen Camp, while also visiting family. If your church is seeking missionary families to support, we would encourage you to consider having them present their burden for Brazil.

The Church - in Eldorado

The church continues to move forward, and we praise the Lord for those who remain faithful and are growing in Christ. We have also restarted our Door-to-Door Evangelism Ministry and ask you to pray for lasting fruit.

Camp:

Since our last letter, we hosted our Ladies' Retreat, which brought together 100 women for a time of fellowship, encouragement, and teaching from God's Word. We also held our Youth Camp, where several young people made decisions to follow the Lord more faithfully.

We are now preparing for two upcoming camps. On July 4, we will host our inaugural English Camp, designed primarily as an evangelistic outreach. Then, on July 9-11, we will hold our Children's and Teen Camp. Please pray that both camps will have a lasting spiritual impact.

Camp Projects:

We are currently working on two important camp projects: a new water well and an upgraded electrical system. The well is presently being drilled, and we are trusting God to provide an abundant water supply as our camp ministry continues to grow. The electrical project is awaiting approval from the utility company, and we would appreciate your prayers for favor and progress. We are also deeply grateful to those who have already given financially toward these projects.

Special Requests:

- Fruit from our Door-to-Door Evangelism Ministry
- The upcoming English Camp and Children's and Teen Camp
- Success in the well and electrical projects
- God's provision of a replacement vehicle
- Health, wisdom, and direction for our family
- Stanley and Abigail as they continue deputation
- Construction of our new classes and fellowship hall at church to be re-started in July.

Thank you for your faithful prayers, encouragement, and support. We are grateful for your partnership in the gospel and count it a privilege to serve the Lord here in Brazil.

In Brazil for Christ,
