 Sharing the gospel of Jesus Christ in the Kingdom of Cambodia

**GOD IS WORKING IN CAMBODIA!**

Brethren in Christ:

By God’s grace I was able to come to the USA in October to continue raising support for our 18 churches and the Children’s Home in Phnom Penh. The trip served another purpose as 2 of the kids from the home, MengLeng (a 17 year old girl) and my oldest son Visal (18) were granted full scholarships to the college in Fredonia, New York to study Business Administration. They both made the long flight over with me and are now at the college. We praise God that these two young people have been blessed with such an opportunity.

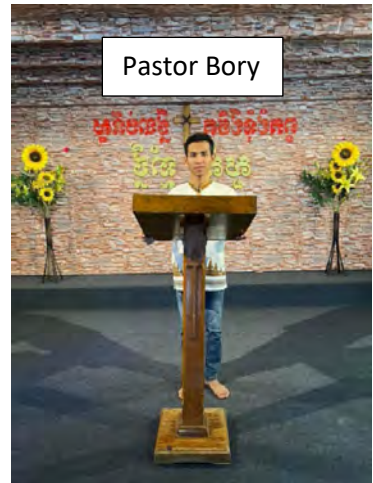

At our main church south of Phnom Penh, David, one of the young men who grew up in the Children’s Home, is now the full time pastor there! He is faithfully responding to the call from God to be a preacher of the Word. I am so grateful for this, as it allows me the time to visit the other churches on Sundays and continue the training of the pastors out in the provinces. Bory, another of the young men who grew up in the home and who is also responding to God’s call, has started a new church in Kapoungspeu. About 40 people are attending and over 30 have trusted Jesus Christ as their personal savior.

Two of our newest church plants are close to the border of Vietnam. Pastor Sor Poug was saved in a church about 10 years ago and expressed his desire to pastor a church to me. He started the church 10 months ago and now has 50 people attending. The other new church near the border has about 30 people attending. All of the pastors I help have Bible Studies (called cell groups) throughout the week at various locations in order to reach as many people as possible. 14 of the 18 pastors utilize a bicycle or must walk to these locations. We praise God that 4 of our pastors now have scooters to help reach their flock.

Recently, Pastor Hai saw 4 people saved at his church. Pastor Song saw 5 people saved. Pastor Sopea has seen over 50 people in his church saved in the last 2 months! Pastor Loth reported 10 people trusted Christ. God is really working here in Cambodia!

At the Children's Home our kids continue to grow in the grace and knowledge of our Savior. We presently have 40 kids with the youngest being 6 years old.

I am involved in Samaritan's Purse ministries, as is my brother Piseth, and we are preparing for the arrival of 100,000 Christmas shoeboxes to be distributed to the children. The gospel is presented to the kids before they receive the shoeboxes, and gospel tracts are put inside. This helps so many kids in Cambodia!

We continue to be grateful for your dedicated support and prayers for our ministries here. We still see the Gospel working in the hearts of people who have never heard it and sat so long in darkness. All of us here want to encourage you and assure you that your participation is vital in our efforts to raise these kids in the light of God's Word and bring Jesus Christ to the people of Cambodia.

Thank you so much! Pilot and Siela Nhap
