## **UPDATE FROM SCOTLAND**

We wanted to share an update on our Scotland journey and express our heartfelt gratitude for your faithful prayers as we've been settling into this new chapter.

### ***God Provided the Right House***

First, we want to thank you for your prayers about finding housing. God graciously led us to the right home for our family! We're now settled in an area that has great potential for church planting. We can already see opportunities all around us, and we're grateful for how clearly the Lord directed our steps. ***Your prayers made such a difference in this process.***

### ***Ellee is Doing Much Better***

We also want to thank you for your prayers for Ellee during her recent hospital stay. Those five nights were challenging for our whole family, but we're so grateful to report that she's doing much better now. The medical care she received was excellent, and we truly felt your prayers covering us throughout that difficult time. ***God's faithfulness was evident every step of the way.***

### ***The Girls are Settling in Well***

Both Ellee and Graycee have started their new schools and are adjusting wonderfully to life in Scotland. It's been encouraging to watch them settle in and begin making new friendships. ***God has been so good to help ease this major transition for them.***

### ***Seeking God's Direction for Church Planting***

Now we're looking ahead to the exciting work of church planting, and this is where we especially need your continued prayers. We want to make sure we're following the Lord's guidance as we move forward, not just our own plans.

We're seeking God's wisdom about how to begin this work and who He wants us to connect with in the community. We need Him to open the right doors at the right time and to help us build genuine relationships with people here. One thing we have learned over our time in Scotland is that it is so important to truly be seen as part of the community in order to effectively minister to that community.

### **Would you join us in prayer for these specific needs?**

- ***Pray that God would give us clear direction on His timing and approach.***
- ***Pray for divine appointments and meaningful conversations.***
- ***Pray that our family would be a genuine witness in this new place.***
- ***Pray that God would prepare hearts and gather people who are ready to hear the gospel.***

We are genuinely excited about what God has in store, but we know this work can only succeed through His power and your faithful prayers alongside us. Thank you for being such an important part of this journey.
