Dear Pastor and Praying Friends,

Greetings from Mexico! Hope that you have had a great summer. Our summers here in Mexico are very short. The public schools get out the second week of July, and we start immediately with two weeks of camp and finish the summer with two weeks of Vacation Bible School - a month packed with activities!

Camp has always been a tremendous asset in the lives of our young people. Down through the years, many young men have been called to preach, and many others have surrendered their lives to serve the Lord. This year was no different with many excellent decisions being made and three teens getting saved. Our prayer is that God will continue to work in their hearts and lives. We want to thank each of you that have given towards the purchase of the camp property. There is still a great need in order to reach the goal, but we trust that God will provide.

We praise the Lord for all He did during the weeks of VBS here in the churches. Many children were saved and we had a tremendous turnout of parents for the closing exercises. It is our prayer that more families will be added to the church because of VBS. During the week of VBS in Tequixquiac, Annetta had a fourteen year old girl come up to her and ask if Annetta could explain to her how she could go to heaven. What a blessing to see her desire to get saved!

This last Sunday we were able to see seven new converts get baptized. It is always exciting to see them take steps in their new life in Christ. I was also able to lead four of the girls from the rehab center to the Lord this week. God continues to do a special work through the ministry even though there always seems to be some type of opposition. The church has lost several family members due to their passing away. God's grace continues to be sufficient in the midst of the storm.

The upcoming semester in the Bible college is getting ready to start once again. We look forward to what the Lord will continue to do through the lives of these young people. Brethren, we sure appreciate all your prayers and support for us and the churches here in Mexico.

In Christ,

Matt and Annetta Johnson
