

Kelly and I were just in Botswana with our missionaries! While we were there we held one of our evangelistic camps led by our Global Surge Pastor, Arnold Aduca.

Pastor Arnold and his wife Cathy are doing an incredible job!

While we were there we had **514 SAVED at Camp!**

Now we continue! **Our Botswana goal this year is 25,000 teens at camp.**

Sharing the Gospel, making Disciples of Jesus, and Baptizing!

Have you been on a Global Surge Missions Experience yet?!?!?

If not yet, you should come over!

We still have slots available for both 2025 & 2026.

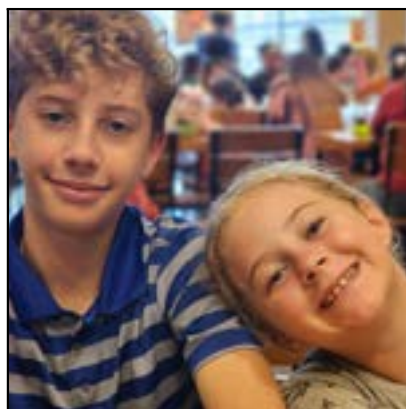

These Groups have made a significant impact in our ministry. We partner you with an ongoing ministry and share the win for years to come!

Our kids are doing great!

Gotta share the photos of them actually lovin' on each other!
