

Missionary Isaiah Carr - (850) 490-3407 - WhatsApp - TheCarrs2Zambia@gmail.com October 2026

Dear Partners in the Ministry,

This October has been very hot and dry, several days have been above 105F. However, despite the heat, we've been moving forward. We started the month by seeing a couple of ladies we had been visiting come to trust Christ. One lady in particular we had been meeting with for several months, and we praise the Lord that she finally clearly understood the gospel message and got saved. The other lady recently started attending Hope after looking for a church for several years. She had struggled to find a Bible-believing church. She tried several denominations but could never find real peace. As she was seeking for truth, she happened to come across an online advertisement for our church. During our follow-up visits, we were able to lead her to Christ. Her testimony is a great reminder of ***James 4:8 Draw nigh to God, and he will draw nigh to you...***

We were also able to lead an older gentleman to the Lord who started coming to church through the very same advertisement. Out of concern for his safety, I'm unable to share the complete story in this letter. However, his testimony is amazing, and we are praying that he continues to be involved in church and grow in the Lord.

This month, along with a trip to the village and our usual weekly church programs, we held our annual Bible conference. Missionary Mike Dobbins came in from Chingola, Zambia, and preached a series on faith through Hebrews chapter 11. The messages were very timely for our people and a great encouragement to our church.

We have started a midweek Bible study at our home, where we are teaching a course on witnessing so that our people are better equipped in sharing their faith. It has also been encouraging to have one of our men joining me on visitation, where he has been able to see one-on-one witnessing firsthand. It has been a blessing to watch him grow in his faith and see his love for others in our church. We closed out the month with a youth event at our property, where we played team-building games that emphasized the importance of everyone working together as a unit in the body of Christ.

A few things to please be in prayer for: our church as we continue raising funds for our church building, we would love to begin construction next year. The container of Scriptures, which is currently en route near Singapore and is expected to reach the port in Mozambique by the end of December. And for our family as, Lord willing, we will be moving later this month into a small home we have been able to build on our property. Although we miss our friends and families in the states, we love the people that God has given us to minister to here in Zambia. There is no greater joy than to be in the service of our Lord.

Thank you so much for your faithfulness in prayer and support of our family.

Sincerely,

Isaiah, Alicen, Faith, Isabella, and Willow Carr
