## MISSIONARIES TO ZAMBIA

June 2021

### Ratcheting Up the COVID-19 Hysteria

We basically had heard little here about the "Worldwide Pandemic" since about February. But then suddenly "the cases started going up" this month and in a much greater way than has been seen heretofore in Zambia. We went from 100 "cases" per day to 3,500 "cases" per day. Many believe this is to stop the opposition party from campaigning for the August 12th presidential elections. I don't want to speculate (wink) or be involved in this discussion.

We praise the Lord that this has not effected the weekly church meetings. However, at the moment there is a "freeze" on "special" church meetings which could effect our revival meeting scheduled for late July/early August. Please pray that the current "spike in cases" will be over by then and we can carry on with the meeting.

### Update on Previous Souls Saved

Last month we mentioned that Grace Sitali (who has TB of the spine) had gotten saved. We went back to teach her the tract Eternal Security and found her visiting with a friend Mrs. Kambone. We tried to witness to Mrs. Kambone and she said, "I am not saved." After a short while of dealing with her, she was very willing to receive the Lord Jesus as her Saviour. Amen!

So we failed to teach Grace about Eternal Security. But we went back this past Saturday and brought Grace some reading glasses because she said she can no longer see well enough to read. She was delighted and seemed to really understand the teaching of Eternal Security. Amen.

We also mentioned Mary Lungu being saved. The first time we went back to teach her Eternal Security she was not home, but we preached to her neighbor, Carol Senkwe, who got saved. Amen! We went back again and didn't find Mary, but we taught Carol for a few minutes from the Eternal Security tract. We have preached to many others this month, but we ask specifically for your prayers for the following lost people: Mary Mufwaya; Chisenga Mumba (he is a JW); and Mulenga Mulenga. We greatly appreciate those of you who pray for us. God bless. Amen!
