September-October 2022

Dear Pastor and Church, dear praying friends!

**Ministry news:** Well, praise the Lord, **Mrs. G.** keeps on coming to our services, Sunday after Sunday. Last Sunday I preached on repentance, and it was very visible that the Holy Spirit was working on her heart. Her face was like an open book. Yet she did not make any motion toward getting saved. Please continue to pray for her and for the Lord to break down the hart shells around her heart.

When we came back from our short trip to the US in mid October, the downtown area of our town was filled with all kinds of country fair activities: fairground rides, bumper cars, ferris wheel, beer tents with matching music, merchants that were praising their goods blatantly. It was a mad house. Nonetheless, our Church went twice and passed out a lot of tracts and Church invitations. Due to the hubbub, it was nearly impossible to talk to anyone and to carry on a normal conversation, not to mention street preaching. But at least we handed out a good number of tracts and hope and pray these will find the way into the hearts of those receiving them. **Please pray for these people, that received a tract, unknow by their names to us.**

During our absence Br Stephan did a good job in filling the pulpit. Praise the Lord, for the first time in years I see God raising someone up amidst our congregation who is able to fill the pulpit adequately if I am hindered to be there myself. What God has in mind with Br Stephan I don't know yet, but Stephan is willing to be used by God and is eager to do more for his Savior. **Please do pray for Stephan and the Lord's dealing with him in his life.**

We have prayed about renting additional rooms for our Church activity (nursery, children's services), and it seemed like there was an open door for us. We were willing to rent, the present renter was willing to sub-lease to us. Seemed like a match to us. Yet, in the very last moment the Lord closed the doors, and we are happy about God's guidance. **Shall we never become insensitive to God's leading and Him directing our ways.**

**Personal news:** What a blessing it was to be with our son Timothy and his family, even though it was just for a bit more than a week. We hadn't seen Timothy in six years in person and had never met in person our daughter-in-law nor our grandchildren Lukas and Ava. It was indeed a very special time for us. It was good for us to be able to sit in some Church service, just as regular Church goers, as well as to present to some Churches our ministry here in Germany. As we were getting ready to go back to Germany, we knew exactly this is where God has placed us and where we need to be. It is always hard to part with family and friends, but it is much more important and better to be in the will of God. On Nov. 21 I need to undergo surgery and would like to ask for your prayers on my behalf. My wife and I appreciate and are thankful for all your prayers and support.

May the Lord bless you; all because of Calvary,

*Rüdiger and Sabine Hemmer*
