

DAVE AND SUE REESE

JANUARY
2023

Dear Faithful Supporters:

Our Philippine internet classes are operated by Pastor Sammy Tabuena (Director of EOTEM Philippine OBC distance learning) out of this New Testament Baptist church in Trapiche, Panay. The pictures show how God has blessed them with a vibrant and fruitful work. EOTEM started this church in 1990 and supports it.

All of our Philippine mission work is operated out of the local church in Surallah, Mindanao. God provided EOTEM with donations to build this multi-purpose church and King James Bible school (OBCM) in 2004.

Pastor Roger Bayona is the Philippine National Director for all work out of Faith Baptist Church Surallah, Mindanao. The church is located about 2 hours west of General Santos City. We started 2 Mindanao jungle churches in 2022. Scores of jungle village churches have been started and hundreds of professions of faith have been recorded in Mindanao since 2004.

Thank you for being a vital partner in our ministry!
IN JESUS' NAME,
Dave and Sue Reese

BAYONA NEWSLETTER

JANUARY 2023

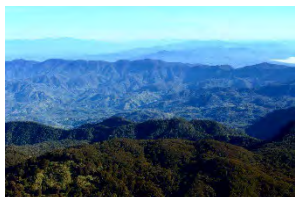

Dear Supporters:

Vivian and I were trained and married by Dr. Reese in 1988 and have directed Philippine EOTEM work under the leadership of Dr. Reese since 1989.

All EOTEM ministries is operated out of Faith Baptist Church Surallah, Mindanao. This church is located in a rural town in southwest Mindanao. This location gives EOTEM access to the mountain jungle areas of south and north Catabato regions.

After several adult students are saved in each village, I lead the EOTEM group in forming a house (nipa hut) church.

Then, with a faithful and stable group of believers, I inform EOTEM of the need of funds for a more stable small church building. Brother Dave is then notified of the need to gather the funds to build the village church building.

We thank God for your prayers and support.

Dr. Roger Bayona

Philippines EOTEM National Director
