We hope this letter finds you well as we approach the end of another year. We wanted to take a moment to express our **heartfelt gratitude** for your **faithful prayers** and **generous support**. Your partnership in the Gospel means more to us than we can express, and we truly couldn't do this work without you standing alongside us. We're excited to share some recent developments and specific ways you can be praying for us in the coming months:

## **Prayer Request #1: School Access**

Ericka and I were recently able to meet with an organization that equips volunteers to establish Bible clubs in public schools. This partnership could open doors for us to start clubs in our local elementary schools and at the high school. What an opportunity to share the love of Christ with students who might never otherwise hear the Gospel!

Beyond the impact we pray to have with the students themselves, being present in the schools will also help us build relationships and make valuable contacts in the community as we work toward planting our church. However, we still need permission from each school to begin, which is where your prayers are so important.

**Please pray that the Lord would open the hearts of school administrators and grant us permission to start these Bible clubs.** We're asking for favor with decision-makers, wisdom in our conversations, and that any obstacles would be removed. Most importantly, pray that if this is God's will, He would make the way clear for us to minister to these students.

## **Prayer Request #2: Finding the Right Facility**

As we've mentioned previously, we've been preparing to launch a church plant in the new year. The vision is becoming clearer, and **we're filled with anticipation**. Right now, we're searching for a building where we can meet regularly, whether to rent or use on an ongoing basis. There are a few options that we are reaching out about.

The right space would not only provide a home for our Sunday gatherings but also serve as a place for community outreach, small groups, and other ministry activities throughout the week. We're trusting **God's timing and provision in this search**.

**Please join us in praying that God would lead us to the right building**—one that is affordable, accessible, and well-suited to our ministry vision. Pray for the Lord's provision and for doors to open at just the right time. We believe He has already prepared the place, and we're asking for His guidance to find it.

## **Our Heartfelt Thanks**

**We cannot adequately express how much your prayers and financial partnership mean to us.** There are challenging days when we wonder about our impact, but knowing we have a community of faithful believers standing with us gives us strength and courage. **You are truly part of everything God is doing here.** Every life touched, every heart changed, every door opened—you share in that eternal impact.

Thank you for your faithfulness. Thank you for believing in this work. Thank you for investing in the Kingdom through your partnership with us.

As we move into this new season of ministry, we're filled with anticipation for what God has in store. We'll keep you updated on how He answers these prayer requests.
