Dear Pastor and Praying Friends,

The beginning of November, a group of men from Illinois came down and helped us put in the electrical and drop ceiling in the church auditorium in Tequix. What a blessing! We continue to work and hope to move into the auditorium by March of this next year for the church's 11th anniversary.

Also in the month of November, we celebrated the 18th anniversary of Mount Calvary Baptist Church. The services were well attended with many first time visitors in every service, and six people trusted Christ as their Savior. How the Lord has blessed us down through the years and we look forward with great anticipation to what He has for us in the future.

Christmas is my favorite time of the year. There is definitely so much to be thankful for and especially that of our Savior's birth. I always enjoy preaching on the Christmas story every year. There is so much to learn and apply to our lives. It is amazing the opportunities that are opened up through the Christmas season. This past Friday we were able to have a Christmas luncheon for the police women of Tula. Of the forty five women employed on the force we were able to see thirty two of them as well as the chief and two other male officers attend. I had the opportunity to give a message and present the gospel. There were no decisions made publicly, but we were able to give each of them a CD with a gospel message on it.

On Sunday we had our annual Christmas program. There were almost five hundred in attendance with nearly thirty first time visitors. We praise the Lord for the one young man that raised his hand for salvation. The church in Tequix will be doing their first Christmas program this year on December 22.

It is hard to believe that the New Year is on the horizon. We thank the Lord for all that He has done in our lives and in the works here in Mexico over this past year. Brethren, thank you for your faithful prayers and support. We pray that you and yours have a blessed Holiday Season.

In Christ,

Matt and Annetta Johnson
