## MISSIONARIES TO ZAMBIA

September 2022

The beginning of the month we were in South Africa for medical exams and all went fairly well with that. But we had a small delay due to some of the results of our tests. The delay allowed us to be in the Missions Conference at Bible Baptist Potchefstroom (Pastor Mike Fluech). That meeting is always a blessing and the people do a great job on their Missions Fair. So we were very thankful to be there. That church and Brother Fluech and his family are always a blessing.

### The Ministry

The Lord gave me 5 souls in Personal Work this month: **Gloria Banda; Elizabeth Chipale; Lottie Phiri; Eunice Kashala; and Joshua Kamowa.** These were all very good conversations and I feel very good about reporting that these folks got saved. Every soul winner knows the situation of leaving a person and thinking, "I'm just not sure about that one." None of these left me thinking that. They all came to the Lord in their own words and "*confessed a good confession.*" Amen.

Some other brothers in our churches led a few souls to the Lord this month as well, but I don't ever ask "How many did you lead to the Lord?" or anything like that. The number is not my concern as much as the quality of ministry being done. So I don't ask for "reports."

My wife has her 5th one-on-one disciple this term that she is teaching, **Analise Phiri.** I am currently discipling a husband and wife, **Joseph and Marjorie Sinkala.** They seem to be getting a hold on what we are trying to impart to them. We pray that they will grow in the Lord.

For me, it is a blessing to see how our church in the Mine Area has grown this term. It has always struggled because it is in a more upper-class area along with the strong pull of the Pentecostal Movement here. Sometimes it is a marvel that we have anyone with the big difference there is between our doctrine and worship compared to what people expect. Pentecostal Craziiness is king here! But the Lord has blessed that church and it's good to see it doing well. It is a beacon in the community. May it continue to be so. Amen!
