II Cor.4:5 "For we preach not ourselves, but Christ Jesus the Lord;"

August 22, 2022

Dear Pastor and Praying Friends,

Summer has slipped away, and we are still trying to figure out where all the time went! This year the school system decided to recover some of their lost time due to covid and didn't let school out until the last week of July. There was some conflict with the dates affecting camp, but both weeks were well-attended. I have had the privilege of directing the camp for fifteen years now. The Lord did a special work in the hearts and lives of the teens this year. What a blessing it is to see fruit that abounds to your account! In the moment, we may not see the impact in the hearts of the young people, but God continues to call servants into His harvest. Several of the pastors that bring their young people to camp were once campers themselves and were called to preach. God's Word will not return void.

We had a great VBS this year as we visited special Bible events with our theme "Travelers in Time". Our daily average was down somewhat from years past, but we still averaged one hundred and twenty five in attendance. We were able to see forty-four of these precious children accept Christ as their Savior. The night of the closing exercises we had a great crowd, and six parents received Christ as their Savior. We had several parents return to the Sunday morning service.

The VBS out in Tequix went well. We averaged around one hundred children in attendance daily. There were fifteen first-time visitors for the closing exercises. Please continue to pray for a national pastor for this church.

This next month we will be starting our Bible institute full-time. We have ten students enrolled for the fall semester. Although the addition on the church for the dorm rooms is not quite finished, we are going to make do for the time being. In September, I will be preaching the second anniversary service for The Mount Moriah Baptist Church in Jilotepec. The church has struggled a little over the last year, but we continue to thank the Lord for those who have been faithful. Brethren, we appreciate your faithful prayers and support. Continue to pray for us and the churches here in Mexico. "The night cometh, when no man can work" Jn 9:4.

In Christ,

Matt and Annetta
