

Luke & Kelly Lyons Oct-Dec 2022 Report: God has been moving powerfully in the past 90 days!!

God uses ordinary people to do His EXTRAORDINARY WILL! Shai (photo above) has been witnessing to her parents for some time now. It was through the effort of a recent Global Surge Missions Experience Medical/Dental team which gave Shai one more opportunity to share the Gospel. **Both her parents (mom not pictured) & her uncle all gave their lives to Jesus on this Tuesday morning!**

Pray for Shai, her church, and her family as they grow in the Lord.

We served 959 people in 5 days! Of those who attended 560 professed their Faith in Jesus Christ!

Global Surge Missions Experience! Come Join us!

Just a few weeks ago we had 15 join us on a Global Surge Missions Experience. This time we used Dentists, Doctors, and others to pave the road to sharing the Gospel.

We would love to have you join us. Just email me info@GlobalSurge.org and we will help you get over here to serve in a capacity where God has gifted you.

Two New Church Plants LAUNCHED!

Last September 18th, 2022 we launched a brand new congregation. Pastor Saldy (sounds like Zaldy) & his team have been intentionally reaching into their community for the past year. **They have started 26 Community Groups & 50 engaged in one-on-one discipleship. Their very first celebration service God moved & we had 528 in attendance & 209 made professions of Faith.**

Moving into early December. Pastor Ian launched his church. **On Sunday December 4th we launch with 686 in attendance & 355 making permanent decisions of Faith in Christ.** We have 70 one-on-one disciples and 35 community groups. It was an amazing day!

Last October each of our 595 community groups held an evangelistic party. All with the intention to share the Gospel with their receptive friends, co-workers, classmates, and family. We were blown away when **5,498** showed up with **2,903** decided at that point to follow Christ.

The photo below is actually from the white board behind our group photo. Celebrating what God had just done!

Pray with us as we begin Discipling these 2,903 and walk alongside them as they grow in their own Faith!
