"Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked." Ephesians 6:16

Dear Prayer Warriors,

September, 2021

Thank you for your constant prayers and support for our family and ministry. God is victoriously answering your prayers and His goodness goes beyond our expectations.

I had the immense privilege of visiting Brazil this past month! Keith and Jamie Putnam are serving in Taubete, Brazil and doing a fantastic job alongside the Ed Johnson family. It was incredible to be part of a Missions group that handed out 35,000 John/Romans and invitations to special services they were hosting. The church there hosted a teen rally, a Saturday night special conference, and an anniversary Sunday. There were hundreds of visitors throughout the weekend, and dozens of souls saved. I appreciate the opportunity to serve with and learn from Bro. Keith and Bro. Ed for that invigorating week!

Thank you for your prayers for our church-plant! At the end of the August, the government of Trinidad finally announced that they would allow churches to re-open - this was the last part of society they had kept closed. Our church was so excited to plan the time to be reunited after the third lockdown they experienced. September 19th, they rejoined together once again as a Church Body, at the location that we rent. I asked some of the men if there was any hesitancy to have physical contact or be around each other and one man said *"Pastor, it was like COVID never even happened - the hugs and reunion was joyous!"* Now that....is the perspective we all need - as if COVID never even happened.

Please pray for us to have wisdom and guidance - the country is not fully opened yet; there are heavy restrictions in place for those who try to travel there; and our status has been completely cancelled. But beyond all that, I know God wants us in Trinidad, so I am hoping to make a trip there in the next couple of months and will need GREAT WISDOM and the Lord's guidance to make some of these decisions. God knows each step He wants us to take, we just want to be sure we follow in His timing.

The Lord bless you all for your love and support.
In Christ,

Brad, Felicia, James, Sophia, Ella, and Olivia - Phil.3:13-14
