

The Moellers to SCOTLAND

Feb/March 2025

Prayer Letter Update

In a recent prayer letter (OCT/NOV), I shared with you about a little “mini-revival” that the Lord was working through the salvation of one of the little girls who came to our kids club. In it, I told how after she trusted Jesus as her Savior, and then she asked her mom to start bringing her to our regular Sunday service. In time, her mom *also trusted Jesus as her Savior*. At the very end of the letter I asked if you would be praying that her Dad would also trust in Jesus as his Savior. I am so excited to share with you that just a few days ago (February 24th) the family reached to let us know that ***he has now trusted in Jesus Christ for salvation as well! GOD IS SO GOOD, and we are so thankful that He is still bring the seeds He allowed us to plant to fruition! Please continue to pray for this family as they grow in their walk with the Lord.***

Furlough Update

Our family is still *covering lots of miles* while we are on furlough. I (Matt) have been doing much of the traveling by myself, but Ericka and the girls have and will be joining me on some upcoming trips. The Lord has kept us safe and healthy during this time, but we have experienced a few recent “bumps in the road” regarding vehicles. Please pray with us that the Lord will continue to provide all that we need for safe travel.

Both Ellee and Graycee's schools have been very understanding and supportive of them having to miss time in the classroom this semester, and we are so thankful for that. However their substitute teacher on the road (Ericka) could especially use your prayers! She has not had to send them to the substitute principal on the road (Me) too often, but pray for him as well! ***The Lord has truly been blessing, and we have had multiple churches commit to partner with us!***

A Race Finished Well

My Grandmother, ***Bettye Fern (Vess) Moeller***, finished her earthly race on January 29, 2025, at 92 years old. Ericka, Ellee, Graycee and I are so grateful that we recently had the opportunity to spend time with her before she passed. I am so thankful that my daughters have had the chance to know their Great grandmother.

There is so much that can be said about my grandmother, but I just wanted to share a few of the things that have stood out to me. Bettye Moeller was: **a preachers daughter, a Marines wife, a proud Texan, a mother of missionaries, a grandmother of missionaries, a great-grandmother of missionaries, a faithful servant of the Lord, and most importantly a child of God.**

Gramms will always stand out as an ***incredible example of faithfulness and love for the Lord***. This is especially illustrated by the fact that all ***3 of her children and their spouses, all 5 of her grandchildren, and her 2 great-grandchildren know and love the Lord.***

Thank you for your prayers for us, and please keep them going up!

***Your missionaries to Scotland,
Matt, Ericka, Ellee, & Graycee Moeller***
