

# Greg & Michelle **WINDELL** Missionaries in Kenya

**Mtwapa Theology School** is helping Kenyan pastors and believers with a better understanding of theology and the Bible. This is an effort to fulfill the discipleship part of the Great Commission. **Dr. Tyson Wahl**, pastor of Crossroads Family Ministries in PA, came to teach our students the **Prison Epistles**. The teacher took us through introductions and interpretation of Ephesians, Philippians, Colossians and Philemon, all written while Paul was in prison. Wahl's Doctorate of Ministry shined as he connected the text to the daily lives of believers and gave minister-level instruction for the pastors.

It was a great week of education and fellowship, because of gifts from believers to help us with tea-time snacks and lunch for the students.

**\$500 Gary & Diane**

**\$1,000 Calvary Baptist Church, Taylorville, IL**

Not only have you helped us with this weeklong course, but also with the next one. It's the hot and dry season here, but your generosity provided a sweet balance to offset some punishing heat.

**Thank you for your prayers and financial support in the effort of proclaiming God's good news and discipling believers!**

Greg & Michelle Windell
