

The Demopoulos family

April, 2026

Russia continues to pound Ukraine’s Power Grid. Blackouts spread! Major Russian drone and missile attacks on Feb. 9 tore into Ukraine’s electrical and gas infrastructure, killing civilians and knocking out power for tens of thousands as winter temperatures were well below freezing. What the New Media is not telling you is that this is a “setup,” a fixed Genocide. Of course, because of the years of antisemitism, Genesis 12:3 plays a major role. Due to Russia’s bombing of civilian infrastructure and energy facilities, blackouts lasted a total of six months, and during the day there was no electricity or heating sometimes for more than 20 hours

per day. We got news from various sources that Mr. Putin will be mobilizing another 2 million soldiers. (right) **Brother Alexei**, received our translation. He lives in Astana, Kazakhstan (**pop.** 1,377,290). There is yet another brother from Astana, Shamil, a former devout Muslim, who is Kazakh. Shamil is only 25 years. He was saved a year ago. He is a translator. He is showing interest in translating the King James Bible into the Kazakh language. **Where the word of a king [is, there is] power:** (Eccl. 8:4). We sent him a Bible a couple of months ago and is studying with us. Please pray for Shamil. He’s got to deal with the pressure from his own family who are all Muslims.

Kazakhstan had its Gulags under the military dictatorship of Joseph Stalin. Now we’ve got AI. The nation Israel FELL at “AI” (Josh.7:1-9). That’s our latest book **“Demonology and Artificial Intelligence, “AI.”**

A Staff Military Chaplain, named Sergey, from the southern border of Ukraine, right off the Black Sea wrote to us recently saying, *“Please send us the King James Bible for evangelistic work and spiritual development; the New Testament and the five books of wisdom 1 box; information about the correspondence Bible school 48 lessons; theological studies; various types of tracts. We will be sincerely grateful!”* This is always encouraging to know that the word of God is getting around even among soldiers.

Another trained man (2 Tim. 2:2) The following letter is from Bogdan, a brother who was taught in our Institute classes. His father, a pastor went home to be with the Lord. His son now took the little work over after his father. Concerning our training courses, this is what Bogdan had to say what they are currently doing: *“Thanks brother for the lessons. I take each lesson as a topic at church, write down all the passages from the Bible in a notebook, and gradually, as much as we have time during church service to go through, talk, ask questions from people, find answers, and teach the lesson. We used to go through the epistle to the Romans based on your book I bought it in Kyiv..Thank you for your prayers...We are praying for you too...”*

Another container going out By the grace of God, another container will be going out, this time with the entire Ukrainian Bible translated from the King James Bible. For the last few years, we have been working on making the proper revision changes. It was Hudson Taylor, when on his furlough he completed his revision of the New Testament in the colloquial of Ningbo for the British and Foreign Bible Society.

Please pray that this 1st edition of the entire Ukrainian KJB will be completed, shipped, and received by Ukrainian-speaking people for the salvation of souls, for their growth and edification, and that the Lord will be glorified. “For I have given unto them the words which thou gavest me;” (Jn. 17:8).

Within the last months, David Lohman, our son-in-law has reported that he's shipped out 4 boxes of leather, Russian Bibles, 4 boxes of the Russian paperback Bibles, and 9 boxes of Ukrainian New Testaments. These shipments have been sent to the far western city of **Lviv**, the southern city of **Kherson**, to a north-eastern county of **Kharkiv** and also to the countries of **Norway** and **Russia**.

(left) **Boris** is the right stuff. He's been charged to teach those things he's been taught, **"charge some that they teach no other doctrine,"** (1 Tim. 1:3), like **"rightly dividing the word of truth"** (2 Tim. 2:15). He's been taught to **"do the work of an evangelist"** (2 Tim. 4:5) which he does. He's been taught to stay with the right text. He's been taught to labour to **"support the weak"** (Acts 20:35). He pays for the hall where services are held. The apostle Paul, while in jail said to the Philippians concerning Timothy, **"For I have no man likeminded, who**

will naturally care for your state. For all seek their own, not the things which are Jesus Christ's" (Phil. 2:21). Please pray for Boris and his dear wife (Irene) that God will give them strength to continue in "the work" God has called them to. Boris was a former drunkard. His wife is crippled.

We are praying about taking another trip to Ukraine this summer (2026). If that be the case, we would like to take a small group of men interested in foreign missions. Please pray the Lord will give us yet another man to work with and possibly get another work going. There is a lot involved in preparing for something like this. There are three different cities we are praying about concerning evangelization.

"In all labour there is profit" (Prov. 14:23) Here's another Ukrainian being blessed by the translation work of Dr. Ruckman's videos into the Russian tongue. *"Hello, Brother Perry. I need a King James Version of the Bible translated into Russian, 1611. I watch a lot of Brother Peter Ruckman's sermons and yours. I want to know God's pure and infallible word for myself. Your brother in Christ, Nail."*

Missions Conferences The Lord has allowed me to preach at three different missions conferences; one in South Carolina, and in two different churches in Alabama, promoting foreign missions. There are over 7000 unreached people groups in the world today. Who will go? **For we stretch not ourselves beyond our measure, as though we reached not unto you: for we are come as far as to you also in preaching the gospel of Christ:** (2 Cor. 10:14).

More fruit along the way After an all-day meeting in Tennessee, I went out for a bite to eat with the Pastor. A young man, Joseph, (22) that was working there walked by us. He was given a gospel tract. He stopped to talk with us. After about a 5-minute presentation of the Gospel, Joseph bowed his head in prayer and trusted the Lord Jesus Christ as his personal Saviour. The Pastor will do the follow-up and give Joseph a Bible. Fortunately, Joseph lives not far from the church. Hallelujah! What a Saviour!

Health Please continue to pray concerning my hip arthritis. Physical therapy is a slow process. Last June, while in Ukraine (2025) I was on a walker. I'm off the walker now, but there is still a lot to get through this, Lord willing. Please continue to pray about this.

We sure do appreciate all of your prayers and support. They mean much to us. Sincerely,
Bro. Demopoulos (Rom. 10:13-15)
