

Mike & Lattisha DOBBINS

Missionaries to ZAMBIA

September 2026

As we say in the Bantu here, September 1st "*found us*" in South Africa for our annual medical exams. The Lord blessed us, once again, with a clean bill of health by His grace. Amen! We also enjoyed attending the Missions Conference at Bible Baptist Church, Potchefstroom, (Pastor Mike Fluech) and I was able to preach four times at Croydon Baptist Church's Mission Conference (Pastor Warren Hoffman). Please pray for Pastor Warren as he was diagnosed with a brain tumor in February 2026 and is currently struggling a lot with seizures.

Upon our return to Zambia, we started the second semester 2026 of Bible Institute with Grace Baptist Church in Kitwe with 23 students. This semester we will teach Theology, Hebrews and James, and 1 Thessalonians through Titus, Lord willing. Pray for the students to be faithful.

A couple of weeks ago I was on soul winning with Pastor Simukonda and his men at the Mine Church. We were blessed to lead 6 souls to the Lord that day. One lady, Mirriam Nchima, got saved because we went back to teach her daughter, Freida, about Eternal Security. But Frieda wasn't home so I preached to Mrs. Mirriam and my brother, Joseph Matolokoshi, preached to her son, Paul Seyuba. So Paul and his mom both got saved. It was a blessing to see mom, son, and daughter all saved at the same house over the last few weeks. Paul even came to church the following day and we gave him a Bible. Pray that he continues to come and grow. Amen!

Then this past Sunday, we were at the Chiwempala church with Pastor Offie Phiri. The Lord blessed us with two visitors. One named Candy was dealt with by my wife and it seemed that she had a good testimony of having already been saved. But the other visitor, Eunice, was led to Christ by Mrs. Silwenga who has been with us 26 years since the start of the Chiwempala church. She is a soldier for the Lord. Her husband is a drinker, but she presses on. Amen.

Thank you all so much for praying for us and faithfully giving to support us here in Zambia. There is no doubt in my mind that the only reason we are still alive and serving here is because of the prayers of the saints. God bless you! Amen!
