

## Pray for the Demopoulos Family Missionaries to Ukraine

December, 2022

### Baptismal Service on the Gulf

Our neighbors in Kiev immigrated to Charlotte, NC., before the war started. Because of the fact that

the church they attend now serves wine at the Lord's Supper, (as many Baptists of former Soviet Union do; they picked that up from the Orthodox Church), that this family refused to partake. We taught that it was new wine, grape juice that Jesus served and not liquor. But the immigrant pastor in Charlotte denied to baptize their daughter. So, the father called me and wanted to know if they could travel here with a small group of people and have a baptismal service on the Gulf. So we did. It was a real

blessing to have another baptismal service, this time, States' side, fellowshiping, singing the great hymns of the faith in the Russian tongue and preaching in both Russian and English in the open air to the saints and also to the unsaved watching on. We've held baptismal services every summer for the last 20-30 years and the Lord "did it again," even this summer, giving us another opportunity to be a public witness. What a blessing!

### Professions of Faith in the Lord Jesus Christ at an Invitation to be Saved

One of our men with whom we've labored over the years is holding services about an hour and a half just west of Kiev. He told us just last week that he preached to about 100 people *a day* in the building they rent out. Before the war you wouldn't have seen but 10-15 people maximum during regular services. Recently, he said that he preached one week to over 700 people. Just last week he gave us a count of about **30** people that raised their hand wanting to get saved at an invitation for salvation. Sasha does a good job distributing to all of them tracts, Johns and Romans (with a plan of salvation), and also the Ukrainian New Testament (and Wisdom books) translated from the King James Bible. What a blessing!

*Please pray that our men will be able to continue to take the Gospel to sinners that are at such a state that they will be more open now to hear the Gospel, For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of God.*

Sergei in Kharkiv (north-east Ukraine, 25 miles from the Russian border) received a box of N.T.s along with Johns and Romans for distribution.

**New Testaments going out** – My son-in-law, David continues to send out box-loads of the Ukrainian translation of the AV across Ukraine to various places; **Lviv** (western Ukraine) to **Kharkiv**, (northern Ukraine), **Kiev**, (central) and **Ternopil**, (southern Ukraine). We are very thankful for Pastor Tim Lambert (the King James Bible Society) helping with getting the boxes overseas.

#### **Meetings**

While waiting at the airport in Atlanta, I had the opportunity to talk with a muslim by the name of Muhammed. I dealt with him for a good 15 minutes talking about the two natures of Jesus Christ. That very morning, earlier, I was thinking about laying hold on eternal life and then I thought about 1 John 5:20, and this is eternal life, about Jesus Christ. Now I know why the Lord gave me that, so that later in the day I could show that to a muslim. I gave him a tract. The Lord's timing is perfect. *Please pray Muhammed gets saved!*

Also, had meetings in New Caney, TX, (Pastor Roger Hoots), Columbus, OH, (Pastor Mainous), Woodbury, TN, (Pastor Mooneyham) and in north Alabama we had meetings in the cities of Cullman, Northport, and Russellville with Pastors Keith Whitley, Sam Delany and James Lumpkin.

We thank the Lord and pray for these Pastors and their churches that have been supporting us for a long time. Also, we are grateful for Grace Baptist Church in Russellville, AL. They said they want to take us on for support. *Please pray that we'll get more meetings as the year closes out and for the next year.*

Thank you so much for your support, your concern and especially your prayers for us.  
Sincerely, Bro. Demopoulos (Rom. 10:13-15)
