September-October 2026

Dear Pastor and Church, dear praying friends!

The Bible studies and discipleship meetings with Lars and Alexandra continue on a regular basis. Indeed, our shared journey through the Bible is at times somewhat “bumpy” and causes a bit of tension. They carry so much doctrinal faulty baggage and have so many misconceptions that simply need to be corrected in light of the Bible. I am all the more pleased, therefore, when I receive feedback like the following:

> *»In Pastor Rüdiger, I have come to know a man who is both faithful to the Bible and possesses a sober, clear-minded approach—someone who was able to provide complete answers to all my biblical questions. ... Through him, I learned that the Bible is divided into various periods of salvation history (also known as dispensations). ... The fact is, whenever I have questions, Rüdiger provides answers that are easy to understand. Sound, biblically faithful guidance is absolutely essential for anyone who is searching; it can save one a great deal of trouble and suffering. ... I thank our Lord, the Almighty God, that I have been able to maintain contact with Rüdiger ever since.«*

Please continue to pray for Lars and Alexandra, as they are just about to finish our New Convert Course, and us getting more and more, deeper and deeper, into the word of God. Both of them have a love for the Bible and are trying to do right.

Just a few days ago we had another Bible study at a local nursing home. We had a good number of attendees and were 14 people altogether. (See included picture.) As anyone who does such a work will know, we are completely depending on the Lord to open the heart and mind of each individual person. When I spoke on John 5:24 it was extremely important for them to understand the difference between ‘believing in God’ and ‘putting your trust in the Lord Jesus Christ’. Please be in prayer also for these people which stand at the door to eternity, more or less.

My wife and I are well, for which we thank the Lord. There is much going on in Germany, in Europe (riots, political uncertainties, wars and rumours of wars, rising prices etc.), and there is nothing else to say except: »Amen. Even so, come, Lord Jesus.« Revelation 22:20. Please keep us and our ministry in your prayers.

May the Lord bless you in these days and thank you for your prayers and faithful support.

Rüdiger and Sabine Hemmer
